

Triptych Notes and Examples

NOTES ARE TAKEN DIRECTLY FROM THE NELSON NATIONAL TRIPTYCH SALON

What is a Triptych

- ▶ A triptych is a presentation made up of three (and only three) distinctly separated photographic images displayed on a common background

What makes a successful Triptych

- ▶ The individual photographs must be technically competent
- ▶ the complete work should communicate something to the viewer
- ▶ The images may tell a story by showing a sequence of events. They may depict different objects that reinforce a common theme or pattern.
